P

RBI MPC unanimously votes to hike repo rate to 5.50%

Why in news: The RBI Monetary Policy Committee unanimously voted to hike the policy repo rate by 25 basis points to 5.50% to manage monetary variables.

REMEMBER

- Monetary Policy Committee (MPC) — The body responsible for determining the repo rate.
- 5.50% — The new policy repo rate after a 25 basis point hike.
- 55,276 — The Nifty Bank index level after gaining over 147 points.

MAINS ANGLE Analyze the impact of repo rate hikes on inflation management and capital market volatility in a developing economy like India.

USE: Monetary Policy Repo Rate Inflation Targeting

Liquidity Management

Hamas and Palestinian groups kill over 1,200 in Israel and take 251 hostages

Why in news: The ongoing conflict between Israel and Hamas/Palestinian groups is being contextualized through the historical and religious narrative of the 'Promised Land' and the 1917 Balfour Declaration.

REMEMBER

- Balfour Declaration — 1917 declaration providing historical context to the conflict.
- Promised Land — religious and historical narrative central to the conflict.
- Canaan — ancient name for the region encompassing parts of present-day Israel and Palestinian territories.

MAINS ANGLE Analyze how historical narratives and religious claims over the 'Promised Land' complicate modern diplomatic efforts to resolve the Israel-Palestine conflict.

USE: Balfour Declaration Nakba Promised Land

Partition Plan

Defence Ministry approves revised SOP for indigenous project testing

Why in news: Defence Minister Rajnath Singh approved a revised SOP to streamline access to proof and firing ranges for indigenous projects to support 'atmanirbharta'.

REMEMBER

- Atmanirbharta — The goal of making India self-reliant in defence manufacturing.
- iDEX — A scheme to support indigenous defence projects.
- Technology Development Fund (TDF) — A scheme to support R&D for indigenous technology.

MAINS ANGLE Discuss how streamlining access to testing infrastructure can accelerate the 'Atmanirbhar Bharat' initiative in the defence manufacturing sector.

USE: Atmanirbharta Defence Procurement

R&D Infrastructure

iDEX

India proposes three-part ceasefire plan to Ukraine during S Jaishankar's Kyiv visit

Why in news: India proposed a three-part ceasefire plan to Ukraine during External Affairs Minister S Jaishankar's visit to Kyiv to mediate the ongoing conflict with Russia.

REMEMBER

- Three-part ceasefire plan: halting attacks on energy infrastructure, ensuring grain/energy flow through Black Sea ports, and ending strikes on commercial shipping.
- Black Sea: The strategic waterway central to the grain and energy flow discussions.
- Comparative proposals: Ukraine received ceasefire initiatives from India, Turkey, Egypt, and the United States.

MAINS ANGLE Analyze India's evolving role as a mediator in the Russia-Ukraine conflict and the strategic significance of its 'comprehensive' ceasefire proposal.

USE: Strategic Autonomy Mediation Black Sea Security

Energy Diplomacy

MeitY to collaborate with Indian companies for indigenous smartphone by 2028

Why in news: The Ministry of Electronics and Information Technology (MeitY) announced a collaboration with Indian companies to manufacture a completely indigenous smartphone by the end of 2028.

REMEMBER

- MeitY — Nodal ministry for the indigenous smartphone manufacturing project.
- Indigenous production — Transitioning from assembly-based manufacturing to self-reliant production.
- Rs 35,000 crore — Value of components currently exported by India to China.

MAINS ANGLE Discuss the significance of transitioning from assembly-based manufacturing to indigenous production in India's electronics sector to achieve self-reliance.

USE: Atmanirbhar Bharat Value Chain Import Substitution

Indigenous Manufacturing

World Bank raises India's FY27 GDP growth forecast to 7.1 per cent

Why in news: The World Bank raised India's FY27 GDP growth forecast to 7.1 per cent from 6.6 per cent due to robust domestic demand and strong exports.

REMEMBER

- FY27 GDP growth forecast: 7.1 per cent
- FY26 GDP growth rate: 7.8 per cent
- FY25 GDP growth rate: 7.2 per cent

MAINS ANGLE Analyze the factors contributing to India's resilient GDP growth despite global geopolitical uncertainties and external risks.

USE: GDP Growth Domestic Demand Private Consumption

External Risks

Delhi and Centre unveil Winter Action Plan 2026-27 to tackle NCR air pollution

Why in news: The Delhi government and the Centre unveiled the Winter Action Plan 2026-27 to combat NCR air pollution, featuring fuel station restrictions and vehicle bans.

REMEMBER

- 500 fuel stations: Number of stations mandated to enforce fuel restrictions.
- Non-BS-VI vehicles: Vehicles prohibited from entry into NCR starting November 1.
- January 31: Deadline for phased construction prohibitions.

MAINS ANGLE Critically analyze the effectiveness of seasonal action plans in addressing the structural causes of air pollution in the National Capital Region.

USE: Air Quality Management Regulatory Framework

Pollution Mitigation

Inter-agency Coordination

Karnataka seeks central aid after drought causes ₹46,000 crore crop losses

Why in news: The Government of Karnataka submitted two memoranda to the Centre seeking assistance after a severe drought hit 217 taluks, causing estimated crop losses of ₹46,000 crore.

REMEMBER

- Karnataka is the second most drought-prone state in India after Rajasthan, with 80% of its area prone to drought.
- Southwest monsoon (SWM) accounts for approximately 74% of the calendar year rainfall in Karnataka.
- Karnataka received 551 mm of rainfall during the southwest monsoon, a 35% deficit from the 852 mm normal.

MAINS ANGLE Analyze the vulnerability of Karnataka's agrarian economy to southwest monsoon variability and suggest measures to mitigate drought-induced crop losses.

USE: monsoon variability agrarian distress drought-prone

rainfall deficit
